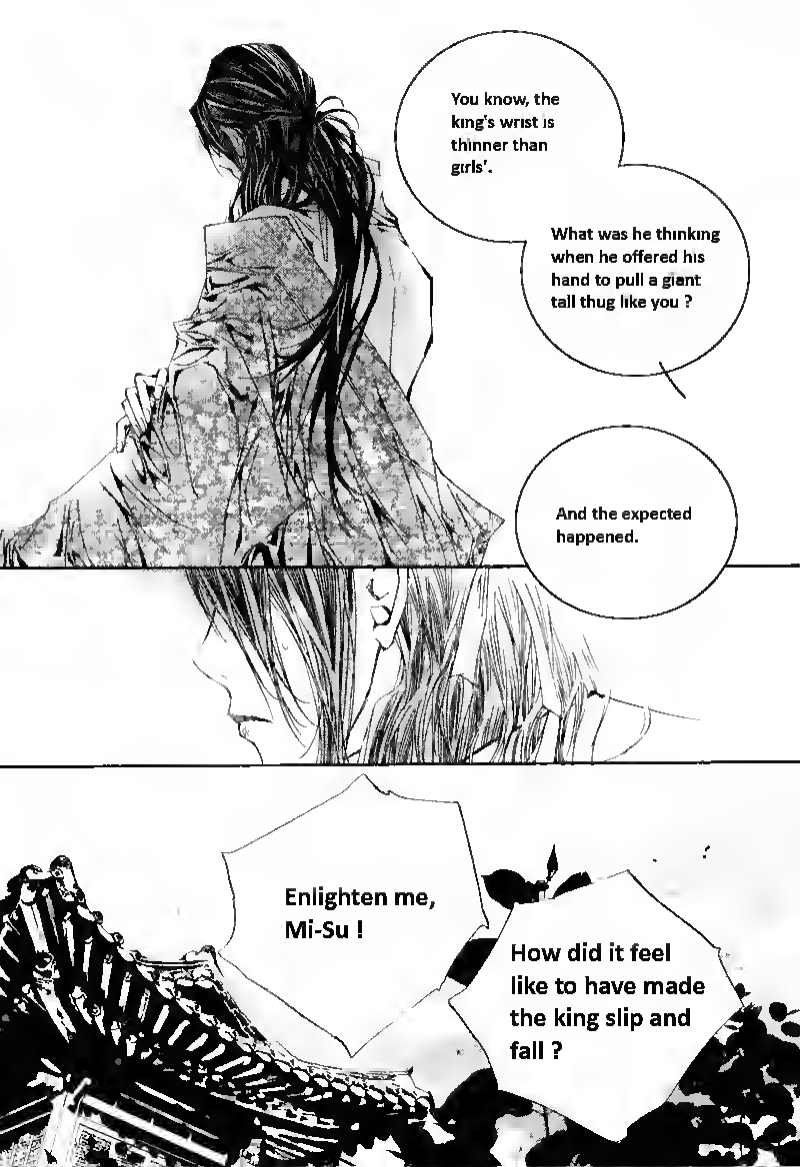
How did you feel like ?
I am sorry, but -
I am changing my wardrobe at the moment.
Would you kindly wait until I am done ?
The mighty holy king has landed his hand to you and
Your reactions are so dull.



You know, the king's wrist is thinner than girls'.
What was he thinking when he offered his hand to pull a giant tall thug like you ?
And the expected happened.
Enlighten me, Mi-Su !
How did it feel like to have made the king slip and fall ?

왕손으로 태어났지만 생등이 머마라는 이유로 궁에서 내몰김 당했던 여자이이 휘 하지만 왕손의 갑작스런 죽음으로 결국 다시 궁으로 들어오게 되고 자신이 여자밍등 숨긴 채 살아간다 그리고 만나게 된 또래의 여자아이 못에 빠진 자신을 구해주는 소녀로 인해 당황하게 된다 하지만 이내 곧 자신의 걱잠을 이해하는 듯한 소녀에게 마음 한 켠을 내주고 견선이라는 이름잔도 지어주지면 소녀는 자취를 감춰버리고만다 그렇게 시간은 흘러 세손이 된 휘지면 곧 이비이미만 왕이 승하하면서 왕이 된다 하지만 이비인 왕의 죽음에 석연치 않은 점이 드러나게 되고 그럼에도 힘없는 자신에 대해 한탄적인 줄 미수로 인해 마음가짐이 비뀌기 시작하는데!

I do wonder why you had to enter the pond -
when the wound on your back wasn't fully healed.
Mi-Su, the king has asked you in person. You must answer.
I apologize, but ...

Haha, his love letter was accidently thrown into the pond and he jumped right into it.
Love... letter ?
Hmm, then it was worth the risk jumping into the water, I see.
And I suppose it was Lord Je-An who caused the accident.

D... did you see ?
Your outgoing curiosity has often caused troubles for others.
Wait.
His tea seems to be cold.
Yes, sire.

It's actually herb tea that should help you healing faster.
Normally, you would deserve a reward.
However, it's been decided that they will cover my mistake, so nothing can be done.

Therefore, all I can offer you is ...
Just a warm cup of herb tea.
I intend to host a tea meeting like this for some time as your reward.
Is that ... alright with you ?
I thank you for your kindness.

Will I be invited also ?
Yes, sure.
Sire, you will need one more chair !
Lord Ja-Ul !

You disappoint me, sire
How could you not invite me for occasions like this
I shall remind you that I was the one introduced Mi-Su to you.
You may not remember, but I did talk to you about him 4 years ago.
A man who was Princess Kyeong-He's son and had to hide his identity for survival ...
And that someone to keep nearby ...
JANIMES.COM

I do remember.
It was the day of my father's passing.
I apologize !
No, it's quite alright.

As you said on that day, fate didn't allow us to meet.
It has taken 4 years for fate to allow us to meet.
And we are now tea buddies.
That is good enough for me.

Did you not notice ?
He was smiling during the tea meeting.
He treated you quite differently.
Perhaps it was because you are his life saver.

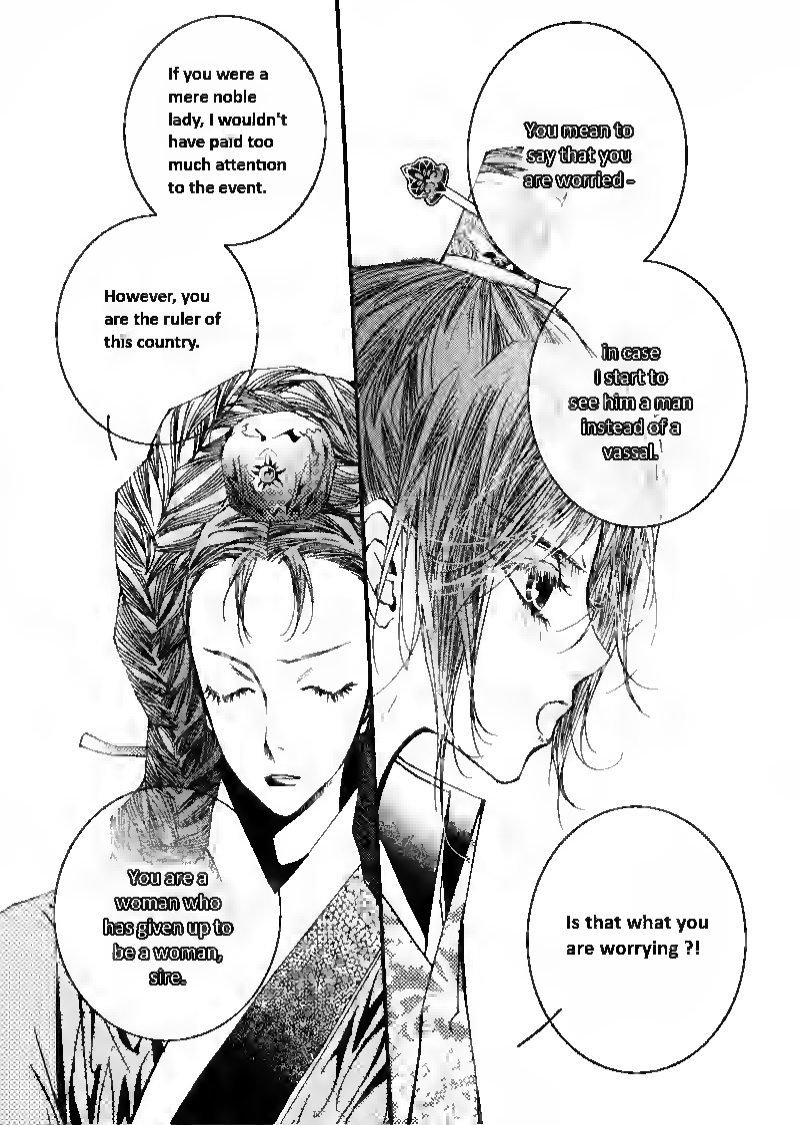
I was right about you !
I told you that you'd earn his favor !
Ah..., I am sorry.
Now..., mind telling me why you jumped into cold water ?
Jeong Mi-Su ...

Do you trust him now ?
At first, I did not place much attention on him -
Because he was sent by my grandmother.
But his recent actions made me think differently.
How so, sire ?

I want to make him my loyal servant.
In order to reveal the truth regarding my father's passing,
I need someone whom I can trust and will act on my behave in shadow.

May I speak my mind ?
Feel free.
I believe you were careless today to have given a hand to him at the pond.

You should have been more careful not to expose your intention.
I see where you are coming from. I understand.
But it wasn't as exposing as you make it out to be. It was just a hand.
They cannot suspect anything with just a hand, true, sire.
I am worried about you more than anything else, sire.
... Lady Choe ?



If you were a mere noble lady, I wouldn't have paid too much attention to the event.
However, you are the ruler of this country.
You are a woman who has given up to be a woman, sire.
You mean to say that you are worried -
in case I start to see him a man instead of a vassal.
Is that what you are worrying ?!

Forgive me for saying this, but even if you have given up to be a woman, you still must not forget that you are, in fact, a woman.
Even if you would not think so, mind and body sometimes can act differently.

"Especially when it involves a man and a woman..."

You don't need to do your duty until you feel you are fully recovered.
I am stating this because I am worried over your capability to protect the king.

You may not be pleased with my current condition,
But I firmly believe that I recovered enough to be helpful.
Which is why I chose to be back on the duty.
If you are worried,
You coul also tag along, lady Choe.

Sire !

I've given him the permission to go outside disguised.
I do understand your concern, Bu.
But considering what happened last time,
JANIMES.COM
I was worried to keep him strict like we used to
Thus, I've allowed him to go outside.
As you are aware, he is at that age.

We need to have his mind and body fit.
I do not want to experience the incient ever again.
Then I belive it is time for him to find a queen.

I didn't think you would tag along.
Haha ! If I didn't tag along,
Queen mother probably didn't allow you to go outside.
You have a point. Anyway ...

Wow, I've never seen this before ! What's this used for ?!
Why is even Lord Je-An tagging along ?
He spent his entire life in the palace.
He literally begged queen mother.
It just means twice workload for you, Mi-Su.

She may wake up much later
Of course, you will be paid for the service.
There is ... no need ...
So, basically, you don't know when she will wake up.
Well, could you look after her until she wakes up? We need to move on.

Do your duty.
Misu, you should listen to the king.

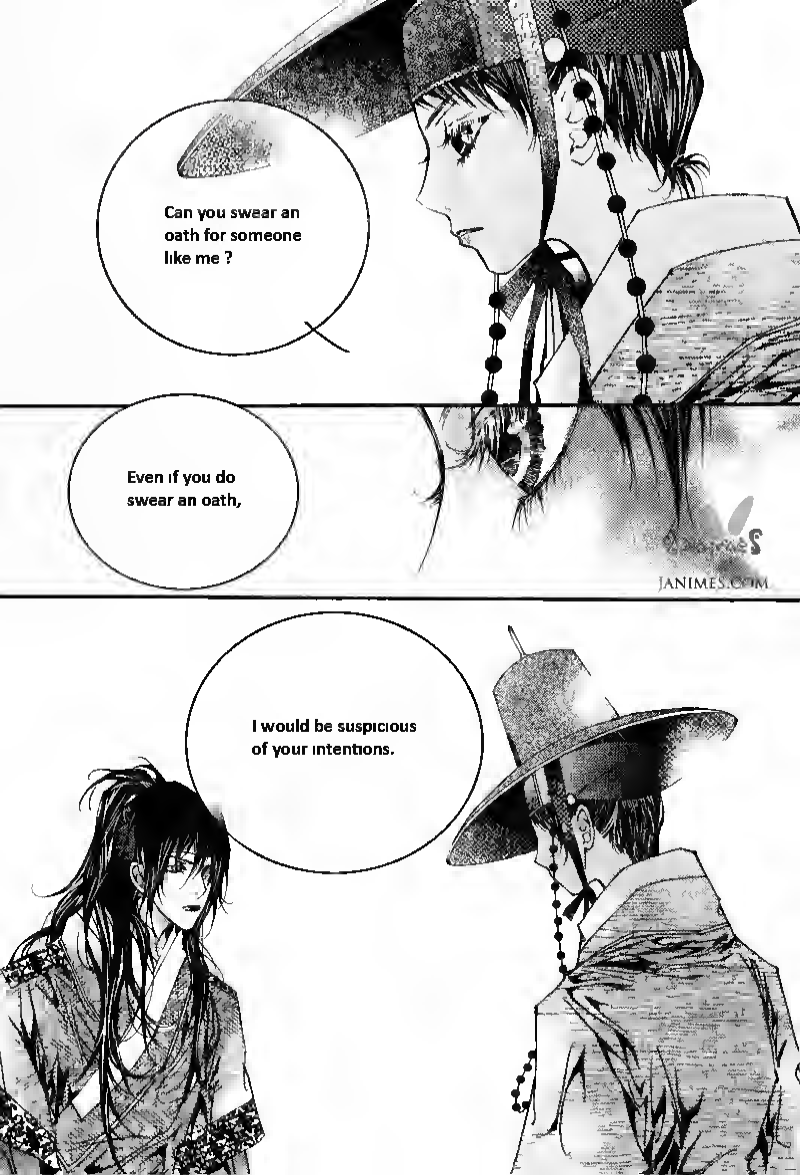
Are you there ?
It's quite unsettling to be here all alone.
You may enter.
Yes, sire.

Serve me.
주륵

I do not drink.
Because I cannot afford to be drunk.
Drinks make people's spirits loose.
It's a poison for someone like me.
As a king, I am someone who has to consider even drinks as my foe.
For someone like me, it's not very easy to make truly loyal vassals.

Jeong Misu...
Who are you ?
All I know about you is that you are the son of Princess Kyeong-He.
And that you had to hide your identity during your childhood due to your father's crimes.

Which means that my grandfather was the one responsible for your father's death and your family's downfall.
I am the grandson of your nemesis.
Sire !



Can you swear an oath for someone like me ?
Even if you do swear an oath,
JANIMES.COM
I would be suspicious of your intentions.

If you wish to serve me,
You will have to show me some kind of proof of your loyalty.
Forget the fact that you've indeed protected me the last time.
Because it was your duty to protect me. Such was expected from you.

You will have to come up with your own proof.
And depending on your proof,
I shall decide.

*한식경 : 30분 정도

.....
Is the proof ...
The only way to win your trust ?

If you do not wish to trust me,
Trust is not formed by such contracts.
One has to be ready to accept others' trust prior.
It will not matter what kind of proof I bring to you.

탁
I dare to ask !
Are you willing to accept -
the proof you seek from me ?!
Foolish question.

I've already shown my trust to you.
Who do you think I am?

I am the king of this country.
I stand above others and there is no mortal being above me.
And I, the king, have already given my hand to you first. Remember ?

It is now your turn, Jeong Misu.
Show me your hand...

... The king is showing interest on Jeong Misu?
Interesting ... Very interesting.
He has begun to make his direct vassals.
Very good, he may be young but his mind is of a king nevertheless.
It is perfectly within his right to gather those who he can trust.
I want you to keep your eyes on the king. Report to me if you find anything.

How are you feeling -
I heard a royal doctor visited you earlier.
I can only be grateful that -
The queen mother and the king are paying attention to me.
Clearly, the royal doctor was a different class. I am feeling much better today.

And I waited tonight for you to come by to tell you something
Yes, mother.
Misu - Do you really wish to acquire a formal seat in politics?
You tortured yourself with swordmanship training since you were in no such position before.
But I did not stop you, and I did not stop you also when you became a royal guard.
I wasn't worried too much.

But when you threw your own body to save the king and was on a death bed for days,
Do you have any idea how I was feeling ?
Just the thought of losing my only child by grandson of our nemesis ...
All these years I chose to live on for your sake felt crushing down.
And I felt like committing suicide.

You did it only because it was your duty. Do not give me such an excuse.
Misu, what are you really thinking?
억적의 자식이란 족쇄가 있는 한 조정에 나갈 저지가 못 되니
Mother !
Did you intent to take such a risk
In order to gain a political seat at the palace ?!

If that was not your intention, I demand you to ask the king to be relieved of your duty tomorrow !

I am not good enough to be a vassal. Everyone knows.
Why did you introduce me to the king ?
You have every right to question that.
The reason is quite simple actually.
It's always better to keep potential enemies under watch.

Of course, I do not think you are those
Who want to exact revange for what happened to your family.
But the history speaks quite clearly that
Your family and the royal family are mortal enemies.
Although my own family isn't all that different, either.
The royal family and my own family stood against your family and resulted in downfall of your family.

The reason the king is trying to keep you close to him despite of all the warnings -
Has probably something to do with the late king.
I am quite positive about that.

Not only that he knew who you were ...
He even knew that you and the king were rather close friends.
He probably imagined you to be a loyal vassal in his vision.
I believe what he wanted to do was
Resolve the blood feud by opening ways for the future children.

Since I told you this far, let me also tell you this
The late king said
You "escaped".

"He did not trust me,"
He said.

I didn't know what he meant back then. But, after 4 years
When you avoided him and the king didn't recognize you anymore.
I realized what he meant by you escaped.

The secret that you were disguised as a girl and -
Played with the king during childhood days.

Is that so, grandmother.
Yes, the queen's seat has been absent for too long.
I believe now would be a good time.
Leave everything to me.

It's important for kings to secure a firm family.

Sire, may I ask where you are going ?
We are here.
This is ... !
Address me as "sir" now.

Ohhh !
I recognize you. Weren't you here with Lord Ja-Ul ?
It looks like it's just the two of you today ?
Yes, give us a room.
I am very glad that you are here. I felt awfully sorry for
what happened last time. We didn't even get to serve you properly.

Srt.
If you stand like that, they will find us suspicious.
I told you to address me as sir.

Of course.
There is no way that I would refuse
Someone whose skill is far beyond imaginations.
Lord Ja-Ul talked a lot about you.

Feel free to sit.
Yes, sir.
Sir, do you know that your skin is better than ours?
You are the definition of a pretty man, sir ~

That's enough
Watch your mouth ! How dare you -

Because I must behave in front of others.

And it was the queen mother who let him disguise as a girl and stay at the palace.

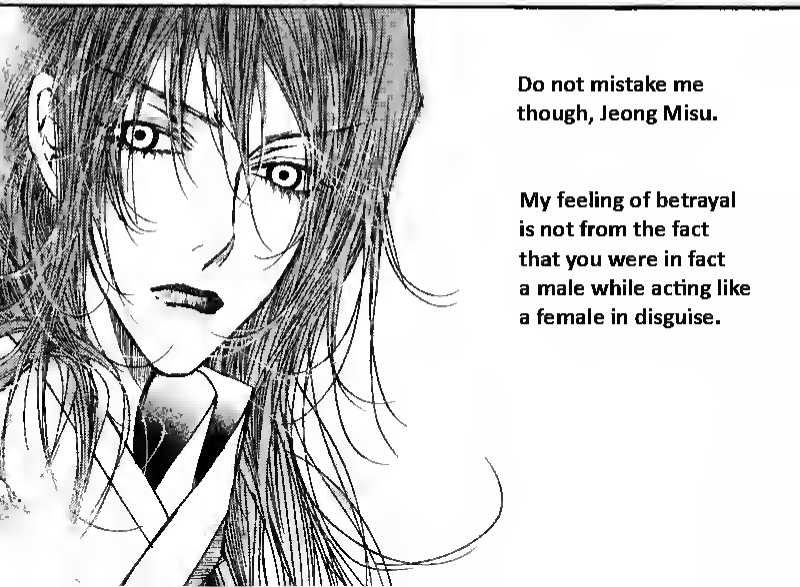
You've already betrayed me.



Do not mistake me though, Jeong Misu.
My feeling of betrayal is not from the fact that you were in fact a male while acting like a female in disguise.

My sense of betrayal comes form a fact that how foolish I was trying to find some peace of mind from the friendship.
